

Orchestra Ensemble Kanazawa

Call for Scores: *Wayo no Hibiki*

The prefecture of Ishikawa boasts its own history of arts and culture, with a tradition of *Hogaku*, or classical Japanese music, that extends back to the days of feudal *Kaga* Domain. The Orchestra Ensemble Kanazawa has performed as a collaboration between these different musical cultures. The selected new piece will be performed by Orchestra Ensemble Kanazawa with Noh-Dance in the *Wayo-no Hibiki IV* Concert on 12 February 2024.

We are looking for the apply from young composer extensively and we will be expecting the new work appropriate for the moment when new culture is born.
